

2015 Knovel
Academic Challenge

THE ANNUAL 8-WEEK

KNOVEL ACADEMIC CHALLENGE

LAUNCHING FEBRUARY 2, 2015

The Knovel Academic Challenge gives instructors the chance to implement real-life engineering and science practices into their curriculum, and immerse their students in a professional problem-solving environment. While working each week's problem set, Knovel's trusted content and interactive tools will be accessible from within the challenge itself!

Based on player participation and performance, **WEEKLY AND GRAND PRIZES** will be granted to the winning students!
