B. 3. Fees for issuing study and graduation documents	6
APPENDICES:	
Appendix A.1. Annual tuition fees for exceeding the standard length of study and for parallel study and annual tuition fees for external study during the standard length of study for students being citizens of a member state, Belarus, Bosnia and Herzegovina, Montenegro, Macedonia, Moldavia, Serbia, Ukraine or permanently residing in a member state (according to the faculties and UM STU)	8
Appendix A.2. Annual tuition fees for students who are neither citizens of a member state, Belarus, Bosnia and Herzegovina, Montenegro, Macedonia, Moldavia, Serbia, Ukraine nor permanently residing in a member state (according to the faculties and UM STU)	17

GENERAL PROVISIONS

In accordance with Article 92 Section 3 and Section 13 and Article 113a Section 7 to 12 of Act No. 131/2002 Coll. on Universities and on amendments and supplements to certain laws as amended (hereinafter referred to as Act on Universities), I stipulate the amount of the tuition fee and other study-related fees of the Slovak University of Technology in Bratislava (hereinafter referred to as STU) and its faculties for academic year 2012/2013 as follows:

A. TUITION FEE

A. 1. Tuition fee for students who **are citizens** of a member state of the European Union, Belarus, Bosnia and Herzegovina, Montenegro, Macedonia, Moldavia, Serbia, Ukraine or states, which are the contractual parties of the Agreement on the European Economic Area and the Swiss Confederation (hereinafter referred to as member states) or are permanently residing in a member state of the European Union

1. Annual tuition fee shall apply to an academic year.
2. Student who is a citizen of a member state (hereinafter referred to **Student 1**) in full time study shall not pay the tuition fee unless he/she exceeds the standard length of study established for the study programme.
3. Student 1 who has been admitted to free of charge external study programmes shall not pay the tuition fee unless he/she exceeds the standard length of study.
4. Student 1 of full time study of doctoral study programmes, who has been admitted to doctoral study before 31st August, 2007, including, shall not pay the tuition fee.
5. Student 1 who studies concurrently two or more study programmes provided by a public university/college during one academic year in the same degree, shall be obliged to pay the annual tuition fee in the second and another study programme in the relevant academic year. If this is the case, Student 1 shall be obliged to notify, in writing, the study department in which study programme he/she is to study free of charge, if he/she is entitled to free university/higher education, not later than by 30th September 2012. Student 1, who has repeatedly enrolled him-/herself in study of another study programme in the appropriate degree after a suspension, shall be obliged to pay a proportional amount of annual tuition fee to public university/college depending on the number of calendar months remaining at the end of the relevant academic year upon his/her repeated enrolment.
6. Student 1 who studies a study programme provided by STU while he/she has exceeded the standard length of a study, shall be obliged to pay the annual tuition fee to STU for each exceeded year of study. A procedure at determination of time of study for the purpose of determination of excess standard length of study shall comply with Article 92 Section 6 and Article 113a Section 10 of the Act on Universities. Student 1 has to submit a request for a change of payment of tuition fee at the relevant study department not later than 30th September 2012.
7. The faculty/university institute study department will notify, in writing, the applicants admitted to the first year of study about tuition fees and fees related to study valid for the academic year 2012/2013. After a student's enrolment, no later than 30th September the faculty/ university is obliged to issue the student with the decision on the obligation to pay tuition fee, which shall state the amount of tuition fee, due date, and reasons for the obligation to pay tuition fee.
8. The faculty/ University shall send the decision on the obligation to pay tuition fee to students 1 studying in the following years of study obliged to pay tuition fees. The

document shall be sent well in advance before a student's enrolment in the next year of study.

9. Student 1 shall be obliged to present a proof of payment of the tuition fee for the relevant academic year to the appropriate study department **not later than the 30th September of the relevant academic year.**
10. If Student 1 fails to pay the tuition fee duly and in a timely manner, or conceals relevant information critical for determination of the obligation to pay a tuition fee, this shall be considered a disciplinary violation in accordance with Article 72 of the Act on Universities.
11. The basis for calculation of the tuition fee within the meaning of Article 92 Section. 1 of the Act on Universities for academic year 2012/2013 shall be € 305.
12. For academic year 2012/2013 and for particular faculties of STU and Institute of Management of STU, the amount of the tuition fee is stipulated in **Appendix A.1.**

A. 2. Tuition fee for students who **are not citizens** of a member state of the European Union, Belarus, Bosnia and Herzegovina, Montenegro, Macedonia, Moldavia, Serbia, Ukraine or states, which are the contractual parties of the Agreement on the European Economic Area and the Swiss Confederation (hereinafter referred to as member states) nor are permanently residing in a member state of the European Union

1. A student who is not a citizen of a member state (hereinafter referred to as Student 2) shall pay an annual tuition fee for each commenced year of study (in standard- as well as excess time of study).
2. Annual tuition fee shall apply to an academic year.
3. Student 2 shall be obliged to present a proof of payment of the tuition fee for the relevant academic year to the study department **not later than the 30th September of the relevant academic year.**
4. If Student 2 fails to pay tuition fee duly and in a timely manner, or conceals relevant information critical for determination of obligation to pay tuition fee, this shall be considered a disciplinary violation in accordance with Article 72 of the Act on Universities.
5. The basis for calculation of the tuition fee within the meaning of Article 92 Section 1 of the Act on Universities for academic year 2012/2013 shall be € 305.
6. For academic year 2012/2013 and for particular faculties of STU and Institute of Management of STU, the amount of the tuition fee for student 2 is stipulated in **Appendix A.2.**

A. 3. Tuition fee for students studying within the framework of international agreements and conventions

Tuition fee shall follow the provisions of particular agreements and conventions.

A. 4. PROVISION ON TUITION FEE REDUCTION, REMISSION, AND PAYMENT DEFERRAL

1. Rector may reduce, remit or postpone due terms of tuition fee and other fees taking study results, social and health conditions of a student or other circumstances worthy of special regard into account in accordance with Art. 23 clause 13 of the Statute of STU. Student shall file a written request not later than 30th September by study department of the faculty that performs the study programme studying by the student or study department of Management Institution of STU, which performs university study programmes (hereinafter referred to as relevant study department). The study department shall pass the application on to the rector along with the opinion of the dean of the faculty /director of the STU Institution, not later than within 10th October. The rector shall issue a decision on the matter by 31st October.
2. The relevant study department shall keep a registration of the students who are obliged to pay a tuition fee along with the registration of study-related fees collected.

B. 3. FEES FOR ISSUING STUDY AND GRADUATION DOCUMENTS

Fee for Statement on Studies

Fee for Statement on Studies for all students of STU 4 € / piece

Fees for issuing study certificates (confirmation) at STU

- issued in Slovak language on a University form (6 pieces) free
 - issued in Slovak language (more than 6 pieces) 2 € / piece
 - issued in English language 2 € / piece
 - issued in other foreign language, in effect in two languages 8 € / piece
-

Fees for issuing study documents

Extract of completed subjects from the database during study

- in Slovak 4 €
- in English 4 €

Inclusion of credits from previous studies 4 € / subject

Syllabus of subjects 2 € / page

STU student card

- Issue of a 1st year STU student card 13 €
- Validation of STU student card (for following years) 3 €

ISIC card of STU student

- new ISIC card for STU students studying in 1st year of study 20 €
 - new ISIC card for STU students studying in following years (transition from STU student card to ISIC card) 20 €
 - validity for next academic year 10 €
-

Fee for managing the agenda for foreign studies

Rector or dean of the faculty can determine the fee for managing the agenda max. 8 €

Exceptional studies

- For students of other higher education schools, if these are on the basis of an agreement 40 € / subject
 - For other applicants 100 € / subject
-

Fees for issuing graduation documents and their copies

- Diploma of graduation in Slovak language free
- Certificate of the State Examination in Slovak language free
- Diploma Supplement in Slovak language free
- Diploma of the graduating student in a foreign language (EN) 40 €
- Certificate for the State Examination in a foreign language (EN) 40 €
- Diploma Supplement in a foreign language (EN) (graduates of study programmes) free
- Diploma Supplement in Slovak - English version (SK-EN) (graduates of former study fields) 40 €
- Certificate of further education with nationwide validity free
- making of extract of completed subjects from the database:
 - in Slovak language 12 € / piece
 - in a foreign language (EN) 40 € / piece
- Syllabus of subjects (graduates of study programmes) 2 € / page
- Syllabus of subjects (graduates of former study fields) 4 € / page
- Decision on acceptance/refusal of approval of document issued by a foreign university 40 €

- Certificate - title Ing. arch.	4 €
- Study Completion Certificate in a Foreign Language (EN)	40 €
- State Examination Completion Certificate in a Foreign Language (EN)	40 €

Issuing of duplicates

- STU student card	12 €
- ISIC card of STU student	12 €
- University diploma, Extract from the book of diplomas + cover (SK)	22 €
- University diploma in a foreign language (EN)	40 €
- Certificate of the State Examination in Slovak language	20 €
- Certificate of the State Examination in a Foreign Language (EN)	40 €
- Diploma Supplement in Slovak language	28 €
- Diploma Supplement in a foreign language (EN)	40 €
- Diploma Supplement in Slovak - English version (SK-EN) (graduates of former study fields)	40 €
- Decision on recognition of education document issued by a foreign university	20 €
- Statement of studies (index)	4 € /two pages
- Certificate of further education with nationwide validity	12 €
- spare cover for copies, certificates and other documents (A5 size)	2 €

Certificates from archived documents in Slovak language

- Extract of examinations and assessments	12 € / page
- Certificate of studies at STU	7 € / page
- Transcription, certified copy of an archive document and searching for other archive documents	from 4 € / page

Fee for defence of the dissertation thesis

- For students with an external form of studies (Fee takes into account the actual expenses of the faculty)	from 200 €
---	------------

Fees for issuing mobilities-related documents and papers

- within Erasmus and Socrates programmes	free
--	------

Study-related fees shall not apply to the issue of papers which are needed for the execution of student mobilities arranged by the Slovak University of Technology in Bratislava, within the framework of the EU programmes.

Fees for issuing materials containing information on study options at STU

- Study programmes of the faculty	up to 20 € / piece
- University study programme	up to 20 € / piece
- University study programmes (CD form)	up to 20 € / piece

Costs related to the sending of the documents or information are charged according to the actual table of charges of the postal services. Information sent by email, fax, or telephone is, in accordance with Guideline No 1/2001 on free access to information, free of charge.
