1) PROJECT INFORMATION

Field of expertise related to the topic: Institute of Zoology is actively involving in promoting science among general public through: 1. numerous open days, allowing access of general public to unique animal specimens (two scientific collections) emphasis being placed on young generation; 2. creating popular science publications such as: Atlas Series Animal World of Moldova, Red Book of Moldova, Handbook of fisherman used in schools, being available in libraries, used by government and local authorities in the field of environmental protection. These publications are aimed at informing the general public across the diversity of the animal world and the problems they face in a manner easy to perceive. Also through articles in newspapers in magazines we are contributing to rising awareness towards sustainable use of animal world diversity.

Potential contribution to the project: 1. proposal of new concept for organizing exhibitions that will involve a broad and diverse public in getting closer to science; 2. prepare information for

dissemination to large public (booklet, video) by media and internet; 3. design feedback form; 4. organize the event within our country.

Role in the project:

Research Dissemination Other
 Training Technology Development

Project idea: Organize open-air exhibitions in a natural environment involving large public from all ages in exploring wild night life.

Project description: Open-air exhibition will give the possibility to enjoy beauty of the natural environment after dark with a focus on animals night life. Unfortunately, books and movies often give us a wrong image of spending time in the nature at night as forbidding and scary. Exploring wild night life at an open air exhibition will contribute to getting people acknowledged with real facts on animal life through activities designed for all ages: 1. exploring animal diversity (insects, fish, amphibians, reptiles, birds, mammals); 2. animal data collection; 3. animal identification; 4. building houses for animals; 5. fun run; 6. games; 7. coloring.
