

4. Register OA časopisov

Prehľad recenzovaných časopisov s otvoreným prístupom poskytuje databáza Directory of Open Access Journals (DOAJ). Pre zaradenie do DOAJ musí časopis splniť určené kritériá (<https://doaj.org/publishers>).

The screenshot shows the DOAJ website homepage. At the top, there is a navigation bar with links for Home, Search, Browse Subjects, Apply, News, About, For Publishers, and API. A 'SUPPORT DOAJ' button is located in the top right corner. Below the navigation bar is a search box with the text 'Search DOAJ' and a search icon. There are also checkboxes for 'journals' and 'articles', and a link for 'Advanced Search'. The main content area is divided into several sections. On the left, there is a section titled 'DOAJ (Directory of Open Access Journals)' with a brief description of the directory. Below this is a 'Latest News' section with two articles. The first article is about 'Université de Lorraine, the first French institution to provide sustainable funding based on SCOSS recommendations'. The second article is about '¿Qué es el DOAJ?'. On the right side of the page, there is a statistics box showing '12,363 Journals', '9,401 searchable at Article level', '129 Countries', and '3,552,589 Articles'. Below the statistics is a 'Vyberte jazyk:' dropdown menu. There are also several links for 'FAQs', 'OAI-PMH, XML, Widgets', 'Open Access Resources', 'Transparency & Best Practices', 'Download metadata', 'Journals Added/Removed', and 'New Journals Feed'. At the bottom right, there is a 'SUPPORT DOAJ' button and social media icons for Facebook, Twitter, LinkedIn, and YouTube.
