

Engineering Students:
Challenge yourself!

Solve 3 problems using Knovel for a chance to win
an **iPad2**, **cash**, or **cool stuff!**

Play at knoveluniversitychallenge.com

or play on **facebook**

Can the coefficient of friction
be greater than 10?

Which equation do I use
to determine
Coulomb's law force?

What is the tensile strength
of MIL-T-9046 Titanium?
