

DIRECTIONS

The Slovak University of Technology in Bratislava (STU), Institute of Lifelong Learning of STU has organised for foreign students who wish to study at one of the faculties of the University in Slovak language **the Intensive Slovak Language Course**.

The education is planned for 640 hours:

Winter term (October – January) 320 hours;

Summer term (February – May) 320 hour;

Every working day from Monday to Friday, 4 lessons per day, 20 lessons per week

Extent of teaching hours 45 minutes.

Profile of the Graduate

The graduate will gain 4 language skills on the required (advanced) level, i.e., reading comprehension, comprehensive listening, basic oral and written communication on everyday topics by means of instructional material contained in the respective lessons of instructional texts, and basic professional terminology from technical branches of study. He/she is capable to independently communicate, describe everyday activities, orient himself/herself in time and space, express past actions, fill-in a simple questionnaire, write his/her CV.

Completion of the training course increases prerequisites for successful completion of entrance examinations and follow-up studies at the selected STU faculty.

Tuition fee: EUR 2240 (3.50 EUR /hr.). If you do not get a visa, we give back tuition 2240 EUR.

Registration fee: EUR 60 (fee is not refundable).

Minimum number of participants per course: 8 people

All those interested in the course should send the following documents:

1. Registration form
2. Copy of his/her passport identification page
3. Copy of education documents

to the address:

Slovak University of Technology in Bratislava
Institute of Lifelong Learning of STU
Department of language preparation
Vazovova 5
812 43 Bratislava
