

## DIRECTIONS

The Slovak University of Technology in Bratislava (STU), Institute of Lifelong Learning (ILL STU),  
Language Centre ILL STU

has organised for foreign students who wish to study at the faculties of the University in Slovak language  
the Intensive Slovak Language Courses.

The education is planned for courses:

### Module Slovak Language Intensive (MSLI) level A1.1 – B1.2 (640 hours), *Advanced*

#### Profile of the Graduate

The graduate will acquire four language skills at the required (advanced) level, i.e., reading comprehension, listening comprehension, basic oral and written communication on everyday topics by means of instructional materials and contained in the respective lessons of textbooks, and basic technical terminology of technical fields of study. He/she can independently communicate, describe everyday activities, orient himself/herself in time and space, express past actions, complete a questionnaire, write his/her CV.

**Winter term** (September – January) 320 hrs; **Summer term** (February – August) 320 hrs;

**Extent of one teaching hours:** 45 minutes.

**Tuition fee:** EUR 2240.00 (3.50 EUR /hrs.). If you do not get a visa, we give back tuition EUR 2240.00. Tuition fees do not include teaching literature. **Registration fee:** EUR 60.00 (fee is not refundable);

### Module Intensive Slovak Language level (MISL) A1.1 – B2.2 (1000 hours), *Mastery or proficiency*

#### Profile of the Graduate

The graduate will acquire 4 language skills at the desired (advanced - B2) level, i.e. reading comprehension, listening comprehension, oral and written communication of everyday life through the learning material contained in the lessons of the textbooks concerned. They are well versed in all common and specific situations. Their views and attitudes can be clearly defended and argued. He/she can spontaneously converse in society at an unofficial and even official level. He/she has knowledge of Slovakia; he/she knows about it at a middle level. The graduate's profile corresponds to the ability to understand complex texts on specific and abstract themes, and in the field of their own specialization to understand also professional discussions. It has the ability to spontaneously and fluently communicate at a normal speaking level with a partner for whom the language is a native language. It has the ability to have a clear and detailed expression on various topics, expressing its own opinion on topical issues and defining the advantages and disadvantages of different options. After successful completion of the Module Intensive Slovak Language and vocational training for foreign students at STU, the student will be able to continue studying in Slovak language at the selected faculty of STU, if she meets fulfils the conditions of the admission procedure.
