<i>Batch</i>	<i>Start submission period for short STREP</i>	<i>End submission period for short STREP</i>	<i>Cut-off date full STREP</i>

1 It is planned that the call will be extended beyond 31/12 2008

Please note that this change does only concern the cut off dates for the FULL STREP proposals and not the CA proposals. The cut off dates for the CA proposals remain as set out in the work programme, the call fiche and the webpage for the call.

Please also note that the information on the new dates will be submitted to the proposers of the full STREP proposals in the letter inviting them to submit a full proposal. The new cut off dates will not be published on the call website as they only concern successful proposers of short STREP proposals.
