

SLOVAK UNIVERSITY OF TECHNOLOGY IN BRATISLAVA

Tuition Fee and Study-Related Fees for academic year 2011/2012

as amended by Amendment No. 1 dated January 21, 2011,
Amendment No. 2 dated May 1, 2011 and Amendment No. 3 dated
July 29, 2011

No. 5/2010-N

TABLE OF CONTENTS

GENERAL PROVISIONS	1
A. TUITION FEE	1
A. 1. Annual tuition fee for students being citizens of a member state Belarus, Bosnia and Herzegovina, Montenegro, Macedonia, Moldavia, Serbia, Ukraine or permanently residing in a member state (The amount of the annual tuition fee is stated in Appendix A.1.)	1
A. 2. Annual tuition fee for students who are neither citizens of a member state nor permanently residing in a member state (The amount of the annual tuition fee is stated in Appendix A.2.)	1
A. 3. Tuition fee for students studying within the framework of international agreements and conventions	2
A. 4. Provision on tuition fee reduction, remission, and payment deferral.	3
B. STUDY- RELATED FEES	
B. 1. Fee for material provision of admission for students who are citizens of a member state or permanently residing in a member state	3
B. 2. Fees for material provision of admission for students who are neither citizens of a member state nor permanently resident in a member state	4
B. 3. Fees for issuing study and graduation documents.	5
B. 4. Fees for issuance of mobilities-related documents and papers	6
C. FEES FOR OTHER DOCUMENTS	6
D. COMMON PROVISIONS	6
APPENDICES:	
Appendix A.1. Tuition fees for exceeding the standard length of study and for parallel study Tuition fees for external study during the standard length of study	9
Appendix A.2. Annual tuition fee for students who are neither citizens of a member state nor permanently residing in a member state (according to the faculties and UM STU)	16

GENERAL PROVISIONS

In accordance with Article 92 Section 3 and Section 13 and Article 113a Section 7 to 12 of Act No. 131/2002 Coll. on Universities and on amendments and supplements to certain laws as amended (hereinafter referred to as Act on Universities), I stipulate the amount of the tuition fee and other study-related fees of the Slovak University of Technology in Bratislava (hereinafter referred to as STU) and its faculties for academic year 2011/2012 as follows:

A. TUITION FEE

A. 1. Tuition fee for students who **are citizens** of a member state of the European Union or states, which are the contractual parties of the Agreement on the European Economic Area and the Swiss Confederation (hereinafter referred to as member states)

1. Annual tuition fee shall apply to an academic year.
2. Student who is a citizen of a member state (hereinafter referred to Student 1) in full time study shall not pay the tuition fee unless he/she exceeds the standard length of study established for the study programme.
3. Student 1 who has been admitted to free of charge external study programmes shall not pay the tuition fee unless he/she exceeds the standard length of study.
4. Student 1 of full time study of doctoral study programmes, who has been admitted to doctoral study before 31st August, 2007, including, shall not pay the tuition fee.
5. Student 1 who studies concurrently two or more study programmes provided by a public university/college during one academic year in the same degree, shall be obliged to pay the annual tuition fee in the second and another study programme in the relevant academic year. If this is the case, Student 1 shall be obliged to notify, in writing, the study department in which study programme he/she is to study free of charge, if he/she is entitled to free university/higher education, not later than by 30th September. Student 1, who has repeatedly enrolled him-/herself in study of another study programme in the appropriate degree after a suspension, shall be obliged to pay a proportional amount of annual tuition fee to public university/college depending on the number of calendar months remaining at the end of the relevant academic year upon his/her repeated enrolment.
6. Student 1 who studies a study programme provided by STU while he/she has exceeded the standard length of a study, shall be obliged to pay the annual tuition fee to STU for each exceeded year of study. A procedure at determination of time of study for the purpose of determination of excess standard length of study shall comply with Article 92 Section 6 and Article 113a Section 10 of the Act on Universities. Student 1 has to submit a request for a change of payment of tuition fee at the relevant study department not later than 30th September 2011.
7. The faculty/university institute study department will notify, in writing, the applicants admitted to the first year of study about tuition fees and fees related to study valid for the academic year 2011/2012. After a student's enrolment, no later than 30th September the faculty/ university is obliged to issue the student with the decision on the obligation to pay tuition fee, which shall state the amount of tuition fee, due date, and reasons for the obligation to pay tuition fee.
8. The faculty/ University shall send the decision on the obligation to pay tuition fee to students 1 studying in the following years of study obliged to pay tuition fees. The document shall be sent well in advance before a student's enrolment in the next year of study.
9. For academic year 2011/2012 and for particular faculties of STU and Institute of Management of STU, the amount is stipulated in **Appendix A.1.**

A. 2. Tuition fee for students who **are not citizens** of a member state of the European Union or states, which are the contractual parties of the Agreement on the European Economic Area and the Swiss Confederation (hereinafter referred to as member states)

1. A student who is not a citizen of a member state (hereinafter referred to as Student 2) shall pay an annual tuition fee for each commenced year of study (in standard- as well as excess time of study).
2. Annual tuition fee shall apply to an academic year.
3. Student 2 shall be obliged to present a proof of payment of the tuition fee for the relevant academic year to the study department not later than on the day of enrolment.
4. If Student 2 fails to pay tuition fee duly and in a timely manner, or conceals relevant information critical for determination of obligation to pay tuition fee, this shall be considered a disciplinary violation in accordance with Article 72 of the Act on Universities.

5. The basis for calculation of the tuition fee within the meaning of Article 92 Section 1 of the Act on Universities for academic year 2011/2012 shall be €300.
6. For academic year 2011/2012 and for particular faculties of STU and Institute of Management of STU, the amount of the tuition fee for student 2 is stipulated in Appendix A.2.

A. 3. Tuition fee for students studying within the framework of international agreements and conventions

Tuition fee shall follow the provisions of particular agreements and conventions.

B. FEES RELATED TO STUDIES

B. 1. FEES FOR MATERIAL PROVISION OF ADMISSION FOR STUDENTS WHO ARE CITIZENS OF A MEMBER STATE OR ARE PERMANENTLY RESIDING IN A MEMBER STATE (Article 92 Section 10 of the Act)

University institution and form of study	1 st degree	2 nd degree		3 rd degree
	for all applicants	for graduates of a bachelor's degree continually studying at the same university institution	for other applicants	for all applicants
Faculty of Civil Engineering of STU				
full time study	20,00 €	10,00 €	20,00 €	0,00 €
external study	shall not be opened	shall not be opened		0,00 €
Faculty of Mechanical Engineering of STU				
full time study – if applicant files the application electronically	25,00 €	10,00 €	25,00 €	25,00 €
full time study – if applicant does not file the application electronically	35,00 €	35,00 €	35,00 €	35,00 €
external study – if applicant files the application electronically	25,00 €	shall not be opened		25,00 €
external study – if applicant does not file the application electronically	35,00 €	shall not be opened		35,00 €
Faculty of Electrical Engineering and Information Technology of STU				
full time study – if applicant files the application electronically	20,00 €	20,00 €	20,00 €	20,00 €
full time study – if applicant does not file the application electronically	35,00 €	35,00 €	35,00 €	35,00 €
external study – if applicant files the application electronically	shall not be opened	shall not be opened		20,00 €
external study – if applicant does not file the application electronically	shall not be opened	shall not be opened		35,00 €
Faculty of Chemical and Food Technology of STU				
full time study	20,00 €	10,00 €	20,00 €	30,00 €
external study	20,00 €	shall not be opened		30,00 €
Faculty of Architecture of STU				
full time study	40,00 €/100,00 €*	30,00 €/100,00 €*		30,00 €/100,00 €*
external study	shall not be opened	shall not be opened		30,00 €/100,00 €*
Faculty of Materials Science and Technology of STU based in Trnava				
full time study – if applicant files the application electronically	30,00 €	40,00 €		40,00 €
full time study – if applicant does not file the application electronically	40,00 €	50,00 €		50,00 €
external study – if applicant files the application electronically	shall not be opened	shall not be opened		40,00 €
external study – if applicant does not file the application electronically	shall not be opened	shall not be opened		50,00 €
Faculty of Informatics and Information Technologies of STU				
full time study – if applicant files the application electronically	20,00 €	20,00 €		30,00 €
full time study – if applicant does not file the application electronically	50,00 €	50,00 €		30,00 €
external study	shall not be opened	shall not be opened		30,00 €
Institute of Management of STU				
full time study – if applicant files the application electronically	15,00 €	15,00 €		15,00 €
full time study – if applicant does not file the application electronically	20,00 €	20,00 €		20,00 €
external study – if applicant files the application electronically	shall not be opened	shall not be opened		15,00 €
external study – if applicant does not file the application electronically	shall not be opened	shall not be opened		20,00 €

*Admission procedure in English language

B.2. FEES FOR MATERIAL PROVISION OF ADMISSION FOR STUDENTS WHO ARE NOT CITIZENS OF A MEMBER STATE OR ARE NOT PERMANENTLY RESIDING IN A MEMBER STATE (Article 92 Section 10 of the Act)

University institution and form of study	1 st degree	2 nd degree	3 rd degree
	for all applicants	for graduates of a bachelor's degree continually studying at the same university institution	for other applicants
Faculty of Civil Engineering of STU			
full time study	100,00 €	100,00 €	100,00 €
external study	shall not be opened	shall not be opened	100,00 €
Faculty of Mechanical Engineering of STU			
full time study	35,00 €	10,00 €	35,00 €
external study	35,00 €	shall not be opened	35,00 €
Faculty of Electrical Engineering and Information Technology of STU			
full time study	50,00 €	50,00 €	50,00 €
external study	shall not be opened	shall not be opened	50,00 €
Faculty of Chemical and Food Technology of STU			
full time study	500,00 €	500,00 €	500,00 €
external study	500,00 €	500,00 €	500,00 €
Faculty of Architecture of STU			
full time study	100,00 €	100,00 €	100,00 €
external study	shall not be opened	shall not be opened	100,00 €
Faculty of Materials Science and Technology of STU based in Trnava			
full time study – if applicant files the application electronically	30,00 €	40,00 €	40,00 €
full time study – if applicant does not file the application electronically	40,00 €	50,00 €	50,00 €
external study – if applicant files the application electronically	shall not be opened	shall not be opened	40,00 €
external study – if applicant does not file the application electronically	shall not be opened	shall not be opened	50,00 €
Faculty of Informatics and Information Technologies of STU			
full time study	50,00 €	50,00 €	50,00 €
external study	shall not be opened	shall not be opened	50,00 €
Institute of Management of STU			
full time study – if applicant files the application electronically	40,00 €	40,00 €	40,00 €
full time study – if applicant does not file the application electronically	50,00 €	50,00 €	50,00 €
external study – if applicant files the application electronically	shall not be opened	shall not be opened	40,00 €
external study – if applicant does not file the application electronically	shall not be opened	shall not be opened	50,00 €

B. 3. FEES FOR ISSUE OF STUDY- RELATED DOCUMENTS AND PAPERS

Fee for Statement on Studies

Fee for Statement on Studies for all students of STU 4 €/ piece

Fees for issue of study certificates at the university

- issued in Slovak language on a University form (6 pieces) free
 - issued in Slovak language (more than 6 pieces) 2 €/ piece
 - issued in English language 2 €/ piece
 - issued in other foreign language, in effect in two languages 8 €/ piece
-

Fees for issuing study documents

Extract of completed subjects from the database: during study:

- in Slovak 4 €
- in English 20 €
- Inclusion of credits from previous studies 4 €/ subject
- Syllabus of subjects issued in Slovak language 4 €/ page

STU student card

- Issue of a 1st year STU student card 12 €
- Validation of STU student card (for following years) 3 €

ISIC card of STU student

- new ISIC card for STU students studying in 1st year of study 20 €
 - new ISIC card for STU students studying in following years (transition from STU student card to ISIC card) 20 €
 - validity for next academic year 10 €
-

Fee for managing the agenda for foreign studies

Rector or dean of the faculty can determine the fee for managing the agenda 8 €

Exceptional studies

- For students of other higher education schools, if these are not on the basis of an agreement 40 €/ subject
 - For other applicants 100 €/ subject
-

Fees for issuing graduation documents and their copies

- Diploma of graduation in Slovak language free
 - Certificate of the State Examination in Slovak language free
 - Supplement to the diploma in Slovak language free
 - Diploma of the graduating student in a foreign language (EN) 40 €
 - Certificate for the State Examination in a Foreign Language (EN) 40 €
 - Supplement to the diploma in a foreign language (EN) free
 - Certificate of further education with nationwide validity free
 - making of extract of completed subjects from the database:
 - in Slovak language (one extract) free
 - in a foreign language (EN) 40 €
 - Decision on acceptance/refusal of approval of document issued by a foreign university 40 €
 - Supplement to the diploma in a Slovak – English version (for graduates of former study fields) 40 €
 - Certificate - title Ing. arch. 4 €
 - Study Completion Certificate in a Foreign Language (EN) 40 €
 - State Examination Completion Certificate in a Foreign Language (EN) 40 €
-

Duplicate:

- STU student card	12 €
- ISIC card of STU student	13 €
- University diploma, Extract from the book of diplomas + cover	22 €
- University diploma in a foreign language (EN)	32 €
- Certificate of the State Examination in Slovak language	20 €
- Certificate of the State Examination in a Foreign Language (EN)	40 €
- Supplement to the diploma in Slovak language	28 €
- Supplement to the diploma in a foreign language (EN)	40 €
- making of extract of completed subjects from the database:	
in Slovak language	12 €
in a foreign language (EN)	40 €
- Syllabus of subjects issued in Slovak language	4 €/ page
- Decision on recognition of education document issued by a foreign university	20 €
- Statement of studies (index)	4 €/ two pages
- Certificate of further education with nationwide validity	12 €
- Spare cover for copies, certificates and other documents	2 €

Certificates from archived documents in Slovak language

- Extract of examinations and assessments	12 €/ page
- Certificate of studies at STU	7 €/ page
- Transcription, certified copy of an archive document and searching for other archive documents	from 4 €/ page

Fee for defence of the dissertation thesis

- For students with an external form of studies (takes into account the actual expenses of the faculty)	from 200 €
---	------------

B. 4. FEES FOR THE ISSUE OF MOBILITIES-RELATED DOCUMENTS AND PAPERS

- within Erasmus and Socrates programmes free

Study-related fees shall not apply to the issue of papers which are needed for the execution of student mobilities arranged by the Slovak University of Technology in Bratislava, within the framework of the EU programmes.

C. FEES FOR OTHER DOCUMENTS

- Study programmes of the faculty up to 20 €/ piece
- University study programmes up to 20 €/ piece
- University study programmes (CD form) up to 20 €/ piece

Costs related to the sending of the documents or information, if they are not included in the fee, are charged according to the actual table of charges of the postal services. Information sent by email, fax, or telephone is, in accordance with guideline No 1/2001 on free access to information, free of charge.

D. COMMON PROVISIONS

1. Rector may reduce, remit or postpone due terms of tuition fee and other fees taking study results, social and health conditions of a student or other circumstances worthy of special regard into account in accordance with Art. 23 clause 13 of the Statute of STU. Student shall file a written request not later than 30th September by study department of the faculty that performs the study programme studying by the student or study department of Management Institution of STU, which performs university study programmes (hereinafter referred to as relevant study department). The study department shall pass the application on to the rector along with the opinion of the dean of the faculty /director of the STU Institution, not later than within 10th October. The rector shall issue a decision on the matter by 31st October.

2. The relevant study department shall keep a registration of the students who are obliged to pay a tuition fee along with the registration of study-related fees collected.

Bratislava..September 20, 2010

prof. Ing. Vladimír Bálež, DrSc.
in his own hand
Rector
