EULiST call for organizing BIP 2025

Grant call: Support for cooperation between STU and EULiST partner institutions in the field of education

Objective of the call

The aim of this call is to support project managers of Erasmus+ Blended Intensive Programs (BIP) (short-term blended Erasmus+ programs) implemented at STU in cooperation with EULiST partner institutions in order to develop the quality and quantity of mobility and international cooperation in line with the objectives of the EULiST Alliance project.

Eligible applicants

STU employees who want to become BIP project managers can apply for the grant.

Program participants

- Any student or employee of a foreign university from an Erasmus+ program country can join the BIP.
- The number of BIP participants must be 10, 15, or 20.

Duration and location of the program

- The duration of the program must be a minimum of 5 days and a maximum of 30 days.
- BIP can take place in Slovakia or abroad.

Financial support

- Organizational support for each participant is **400€.**
- The BIP project manager will receive a reward:
    - **800€** if, in addition to STU, one other EULiST university is part of the consortium.
    - **1,200€** if, in addition to STU, two other EULiST universities are part of the consortium.
    - **1,500€** if, in addition to STU, three other EULiST universities are part of the consortium.

Application procedure

Send the completed application form together with all attachments by the specified deadline to michal.dudak@stuba.sk.

Important dates

- Call opening: **01.12.2025**
- Closing date of the call: **31.12.2025**
- Evaluation of the call till: **15.1.2026**

Evaluation of applications

The following criteria will be taken into account when evaluating applications:

- Number of participants from EULiST alliance universities (60 points)
- Quality and relevance of the BIP in relation to the objectives of the Erasmus+ program and EULiST (e.g., innovative forms of teaching, development of digital skills, green transformation, increasing the number of women and non-traditional learners in STEM (30 points)
- Feasibility and sustainability of planned activities and schedule (10 points)

Organizational responsibilities of the project manager

The BIP project manager is responsible for:

- Preparation of Learning Agreements for participants (including subjects, credits, and academic outputs),
- Preparation of nomination letters and acceptance letters for participants,
- Compilation of the physical and virtual parts of the program,
- Keeping attendance records during each day of physical mobility,
- Issuing certificates of participation and Transcripts of Records after the end of the program,
- Collecting feedback from participants and completing the evaluation form,
- Documenting the course (photos, videos from both parts of the program),
- Ensuring the visibility of the project – e.g., BIP website, use of the Funded by the European Union logo.
