

INSTRUCTION FOR CHECK-OUT OF FOREIGN STUDENTS FROM STUDENT DORMITORIES OF THE STU IN BRATISLAVA

Dear foreign students,

At present time check-out of Slovak students from student dormitories of the STU in Bratislava (further „SD“) is in progress. We expect ending of it till the 15th May 2020.

We are aware that many of you left the dormitory, even though you did not have to and you did not have possibility to check-out. Many of you stayed in Slovakia at your friends, acquaintances. We want to give chance to such students, if they are interested, to check-out from SD.

We want to give the chance also to such foreign students, who stay in dormitory at present time and they want to check-out. For that we warn you, that it is necessary to contact embassy of your country in Slovakia (further „SR“) in advance, or the embassy in surrounding countries and to find out all available travel options from SR to your country.

You must very well consider your decision to check-out, because after check-out, due to persistent pandemic of COVID-19, you will not have opportunity to come back to any SD of the STU in Bratislava. Of course, after recovery of full-time study and of opportunity to come back to the territory of SR from other countries, accommodation will be provided you again.

We plan to do check-out of foreign students from **18.5.2020 till 22.5.2020**.

Send your applications with the date of check-out (within specified time) to e-mail address elena.trochtova@stuba.sk till **30.4.2020** at the latest.

However the decision of the rector of the STU, that all of you, who want continue to stay in SD, have opportunity to use accommodation services of SD, is still valid.

If you are abroad and you can not check-out, you can stay in student dormitory under the conditions specified by order of Instruction of director of student dormitories and dinig-halls for settlement of payments for accommodation of students with permanent residence outside the territory of the Slovak republic, published on

Best regards,

In Bratislava, on the 22.4.2020
