

2021 BRATISLAVA CONFERENCE

Earth System Governance in turbulent times: prospects for political and behavioral responses

September 7-9th 2021

The 2021 Bratislava Conference builds upon the preparations for the 2020 Bratislava Conference, which was postponed due to the COVID-19 pandemic. Moving forward, we recognize the importance of continued knowledge advancement in Earth System Governance research, and for additional opportunity to address the turbulent times of 2020.

Earth System Governance in turbulent times: prospects for political and behavioral responses

September 7-9th 2021

www.earthsystemgovernance.org/2021bratislava/news/

Pozvanie prijala profesorka **Karen O'Brien** z Osla, ktorá sa predstaví v key note s témou: 'Governing Transformations to Sustainability: It's about Relationships'. Jej prednáška bude prezenčná, pretože pani profesorka príde osobne. Venuje sa spoločenskej dimezii klimatickej zmeny, najmä nízkouhlíkovej transformácii. Je držiteľkou prestížnych ocenení, napr. AAG Human Dimensions (2019) či BBVA Foundations Frontiers of Knowledge Award for Climate Change (2021) a WOS ju identifikuje ako jednu zo 100 najcitovanejších autorov. Je preto veľkou príležitosťou pre Vás sa na jej key note osobne zúčastniť.

**Termín prednášky je 7.9.
o 12:30 na FIIT-ke.**
