

## Curriculum vitae

1	<b>Family name</b>	FINKA		
2	<b>First name</b>	Maros, Univ. Prof., M.Arch.,PhD.		
3	<b>Date of birth</b>	1963		
4	<b>Nationality</b>	Slovak		
5	<b>Civil status</b>	Single		
6	<b>Education / Professional studies</b>			
	Dates (from-to)	Institution	Degree/diploma	
6(a)	1981-86	Slovak University of Technology, Faculty of architecture, SR	M.Arch in Spatial Planning, Urban Design and Architecture	
6(b)	1986-90	Slovak University of Technology, Faculty of architecture, SR	PhD. In Spatial Planning and Urban Design	
	1989	University Bremen, Germany	Intercultural studies and language certificate	
7	<b>Language skills</b> Grade skill 1-5 (1 = basic, 5 = excellent, * = mother tongue)			
	Language	Speaking	Reading	Writing
	English	4	5	4
	German	4	5	4
	Slovak	*	*	*
	Czech	5	5	4
	Russian	4	5	4
8	<b>Membership of professional bodies</b>			
	<p>Member of EIA Trainers Network, EIA Center - RU Manchester , GB since 1994</p> <p>Member of the IALE National committee (International Association for Landscape Ecology), since 2004</p> <p>Member of the Scientific board of the Institute for Ecological Spatial Development (IOER) Dresden, since 2000</p> <p>President of the European WG "Territorial Cohesion" ARL Hannover, since 2004.</p> <p>Member of Gessellschaft für Urbanistik Dessau, Germany, 1991/95</p> <p>Member of the EIA/SEA Experts Commission of the Slovak Ministry of Environment since 1995.</p> <p>Member of the Council of Representatives AESOP, 1996/2004</p> <p>Member of the Academy for Spatial Research and Planning (ARL) Hannover, since 1997</p> <p>President of the WG ARL for CADSES space 1998-2003</p> <p>Member of the Slovak section of the Association of Regional Science since 1988</p> <p>Member of the Scientific board of the STU Bratislava since 2000</p> <p>Member of the National Committee of FEANI 2000/2003</p> <p>Member of the Constitutional Commission of the Academy for Spatial Research and Planning in Hannover, since 2003</p> <p>Member of the Expert committee for the preparation of Landscape Planning Law Act of the Ministry of Environment of the SR, 2004/2005</p> <p>Member of the Committee for the implementation of the Landscape Convention of the Ministry of</p>			

	Environment of the SR, since 2005	
<b>9</b>	<b>Other Skills</b>	
	<ul style="list-style-type: none"> <li>• Authorised expert on EIA and SEA by the Ministry of Environment of the SR</li> <li>• Responsible Expert of the Ministry of Education in the study field "Spatial Planning"</li> <li>• Member of Expert board for spatial planning by the Ministry of Regional Development of the SR</li> <li>• Chairman of SPA-CE.NET – Network of Spatial Research Institutions in Central and Eastern Europe</li> <li>• Local Expert of Association of European Border Regions</li> </ul>	
<b>10</b>	<b>Name of organisation currently working for and Present position in the organisation</b>	Name of Organisation: Slovak University of Technology in Bratislava, Present position in the organisation: Vice-Rector of the University University professor Director of SPECTRA Centre of Excellence EU
<b>11</b>	<b>Years with the organisation</b>	22
<b>12</b>	<b>Key Qualifications</b> (relevant projects which he/she has directed or in which he/she has been involved)	
	The Central European Training and Research Centre in Spatial Planning (SPECTRA) – <b>Establishment of the SPECTRA Centre /TEMPUS</b>	Project leader 1998/2001
	European Policy in Regional and Local Planning. <b>Dissemination of best practice in regional and local planning, training activities for local and regional self government and state government institutions /TEMPUS</b>	WP leader 1998/1999
	Spatial Planning Instruments for Safeguarding the Sustainable Spatial Development at the local and regional level.	Team leader in SR 1998/2001
	FOCUS – Future of Old Industrialized Cities and regions, Analysis of the post industrial spatial development in Europe and <b>proposal of the methodology and instruments for the regeneration of the cities and regions affected by structural changes. 5RP</b>	Team leader in SR 1999/2001
	Dissemination of Spatial Planning Know-How. Comparative <b>analysis of spatial planning systems, available know how, possibilities and pre-conditions for the innovations flows</b> in enlarged EU.	Team leader in SR 1998/2001
	SEA documentation, Technical assistance for the planning and construction of the Industrial Park in the city of Rožňava, <b>Environmental study and EIA documentation for the revitalization of the mining brownfields /PHARE</b>	Local expert and WP leader 2001
	"Environmental Impact Assessment for Selected Industrial Companies" <b>EIA documentation and environmental audit with special focus on hazardous waste management, waste classification, collection and storage and reporting of hazardous waste, increasing of waste recycling, substitution of dangerous and health harming compound using in production, waste treatment and disposal services / Phare</b>	Project leader 2002
	Permanent Research in Spatial Planning in the context of European Enlargement and Information Society Advancement (SPECTRA-PERSEUS) <b>Optimization of the processes of spatial development in order to meet sustainable spatial environmental, social and economic, development. 5RP</b>	Project leader 2003/2005
	Urban Development towards Appropriate Structures for Sustainable Transport (ECOCITY) <b>The development of the sustainable ecologically oriented development strategy for the model city Trnava with the stress on sustainable transport concepts and infrastructure, 5 RP</b>	Team member 2002/2005
	Improving the Quality of Life in Large Urban Distressed Areas (LUDA) <b>Sustainable land use and development management for large distressed urban areas, 5 RP</b>	WP co-leader, team leader in SR 2003/2005
	Transport Planning, Land Use and Sustainability (TRANSPLUS) <b>Sustainable transport strategy implementation and environmental impact assessment , 5 RP</b>	Team member 200/2003

	<b>Rehabilitation and Development in Mining Regions</b> Large-scale environmental impacts and urban development problems. <b>Strategy of the redevelopment in the environmentally affected areas of Velky Krtis, Prievidza and Ziar nad Hronom / INTERREG</b>	Team leader in SR 2004/2005
	<b>Life-Long Educational Programme on Brownfields</b> The objective of the project is to prepare a <b>comprehensive programme for effective implementation of continuing education and the life-long acquisition of skills and competencies to consolidate technological and organizational changes in the country for the brownfields regeneration.</b>	WP leader 2004/2006
	<b>INTELCITY – Intelligent Cities</b> ,INTELCITIES addresses the EU policy objective of the “Knowledge Society” by 2010 in the context of cities, through the implementation of the FP5 INTELCITY roadmap project (IST-2002- 37373), by <b>developing the intelligent city - an integrated citywide ICT information system continuously accessible to all, 6 RP</b>	Team leader in SR 2004/2005 (2008)
	<b>SEA and Expertise on the Land Use Plan Proposal for the Slovak capital Bratislava</b> . Development of the SEA methodology in the specific conditions of the integration of land-use planning and SEA processes, implementation of SEA methodology	Project leader 2003/2004
	<b>Sustainable land use management of the river basins areas</b> Problems, instruments and methods of the land-use management in the river basins areas affected by the floods disasters, proposal for the implementation of new environmentally oriented strategies for land-use development	Team leader in SR 2003/2005
	<b>Participative Planning in Spatial Development.</b> Development and implementation of the methods and instruments for the involvement of broader public in the spatial planning processes and decision making in the civil society	Team member 2002/2004
	<b>Sustainable local development in the rural areas – ecologically oriented land-use and development plan for Tesarske Mlynany</b>	Team member 2004/2005
	<b>LENNE</b> Tempus Joint European Curriculum Development Project: Master of Landscape Planning and Management, TU Wien/FA STU/Univ. Belgrade 2005-2007	Team leader in SR 2005/8
	Spatial Development Trajectories of Knowledge-Based Society Development- Spatial Innovations in the Dynamics of Territorial Cohession, APVV -20-025705, STU Bratislava	Teal leader 2006-8,
	PROMETEUS – Support of International Know-how Transfer Using the Capacity of SPECTRA – Centre of Excellence EU, ESF EU,	2006-8
<b>13</b>	<b>Experience in not European countries/territories</b>	
	Country	Date
	Algerie	1988
	Sri Lanka	2004
	China	2006
	Details	
	Field study on spatial development in the distressed arid areas	
	Field study on the investment in ecologically oriented tourism	
	Field study on urban development	
<b>14</b>	<b>Professional experience record – main points</b>	
<b>14a</b>	Location	Date
	Bratislava	1986-1990
	Position	Researcher
	Responsibilities	Research in the field of spatial planning
<b>14b</b>	Location	Date
	Weimar	1989
	Position	Guest researcher
	Responsibilities	Research in the field of spatial planning
<b>14c</b>	Location	Date
	Bratislava	1990-2002
	Position	University teacher – 1990-1996 senior lecturer, 1997 -2003 assoc. prof.

	Responsibilities	Research and education in the field of spatial planning and urban design, management of research work
